Welcome to the 2020 edition of the M & J Farms/Glasman Farms Annual Bull Sale. A new year, a new decade and undoubtedly new opportunities are before us. The past year was fraught with challenges in agriculture with weather and trade issues certainly at the forefront. In the beef sector, I believe that the future looks bright. Through much of the fall of 2019, cattle values held or improved in all sectors and we know there is a growing demand for protein world wide with beef being the number one choice. As a response to this demand, cows need to get bred and the national cowherd should increase in numbers. That's where we come in as suppliers of good solid working bulls. These age advantaged bulls are designed and developed on a no frills basis so they can just go out and get to work for you for years to come. Our Simmental, Simm Angus and Red Angus bull offering is probably one of our best. Matt and Leanne's Black Angus group are a powerful set of bulls that offer a variety of genetics and performance combinations.

Our family life continues to be very busy. The grandchildren are growing and evolving into fascinating personalities that keep us on the move with lots of carpet farming, story books and questions.

The T Bar C team will be on board both before and on sale day to help you navigate your way. Chris, Shane, Ben and all their knowledgeable and helpful staff can provide top quality service to assist with your bull selections. Prior to the sale you are welcome to view the bulls here in person or their videos online. On sale day, the bulls will be penned adjacent to the heated sale barn. We offer a 'sight unseen program' plus the sale will be broadcast by DVAuctions with Sarah Buchanan in charge. Make use of this service if it fits with attaining your bull needs.

Please join us on sale day. Lunch will served and proceeds from the pie sale will go to our local Cancer Care Expansion Project.

Please feel free to call us at M & J or Glasman Farms if we can help in anyway with your herd bull selections.

The Glasmans

From the desk at T Bar...

Welcome to M & J Farms Annual Bull on February 19, 2020, Russell, Manitoba. The sale is held on the farm just moments south of Russell on the Yellowhead Highway.

For over four generations, five if you count the kids, the Glasman family has been supplying high quality bulls for the livestock industry throughout Canada, the United States and even Mexico. Initially, the bulls were Angus then the new generation added Simmental. In 2018 the Glasman Family were presented the A.O. Henuset Distinguished Breeder Award for their efforts in establishing the Simmental breed in Manitoba.

The M & J Farms sale is one of the few sales where all bulls selling are two-year-olds. They are grass run in big pastures to grow, develop and maintain soundness, a factor that is major for anyone breeding cattle. These coming two year olds can cover more cows, bigger cows and not shrink by the end of breeding season. Whether you are looking for Angus, Red or Black Simmental or Simm/Angus, the M & J selection will fit your breeding needs. The 2020 edition has a powerful group of bulls, rugged, deep bodied, with plenty of hair and testicle.

Each year it is a challenge to add new sires that add new genetics to their large cow herd. They strive to attain the needs of their many repeat and new customers by supplying value added bulls that will yield that extra pay weight at weaning, in addition to providing high maternal values from the heifers that become replacements.

Feel free to stop by the ranch for a preview of the bulls and their mothers or give any of the Glasman Family a call to discuss your requirements and their bulls.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

MLG Bond 8036 is a standout for phenotype, pedigree and calving ease. His Authority x Pioneer dam is a herd favourite with massive volume, femininity and a superb udder. We bought his sire, Merit Bond, to compliment our S A V genetics and wow did it work! His grandsire, Range Boss, has become one of the most proven and popular Angus bulls in the business.

It is with great pride that we offer our Donation Beltie lot, Big Bill 2.0. Dad planted the seed that if we were to offer this belted bull that we could donate a percentage of the sale proceeds as a charitable donation! We liked this idea a lot and that, as well as his unique belt of course, is why he is a bit of a sale feature this year. He is sired by our walking herdbull, Merit Bond 6007, and you will have noticed some of his half brothers in the sale. Big Bill 2.0's dam is a purebred belted Galloway cow that Leanne purchased. The donation will be made to a recognized charity of the buyer's choice.

FEMALES FOR SALE BY PRIVATE TREATY

All bred heifers are carrying service to **Merit Bond 6007** who was the lead off bull in Merit's 2017 bull sale. He is a son of Range Boss, a bull who is quickly picking up steam and creating a name for himself. You will notice many attractive calving ease sons in our sale offering. This package has many half blood Authority and Repeat daughters out of solid producing Simmental cows bred for May/June calving. Buy with confidence. Call or talk to Matthew for more details.
